

# Care Homes Boldmere Drive

Our care homes provide accommodation and 24 hour care and support to adults with specialist needs

# About New Outlook

New Outlook has been providing services to visually impaired people for over 170 years. Starting out in 1846 as part of the Birmingham Royal Institute for the Blind (BRIB), we became a standalone housing association in 1997.

Since then, we have gone through several changes to become what we are today – a professional, reliable and committed provider that strives to promote personalised services to support independent living for people with sensory or specialist needs.

## What is a Care Home?

Our care homes offer high quality accommodation with 24 hour care and support to adults with sensory impairments, acquired brain injury, learning disabilities and other specialist needs. All of our homes are registered and inspected by the CQC.

Boldmere Drive is a small care home which provides a family home for four people with a learning disability in Sutton Coldfield. The accommodation is specifically designed to meet the needs of those living there and to promote easy access of the home.

### Facilities include:

- Four en-suite bedrooms
- Optional private phone line
- Care call systems for constant support within bedrooms

All areas are fully accessible for individuals with a visual impairment or physical disability. A variety of route recognition aids are situated around the scheme; with wide hallways and doorways, contrasting décor and flooring and guide rails.

The communal area and spacious grounds offer:

- Large lounge
- Dining room
- Kitchen
- Laundry room
- A fully accessible garden

I really love it at Boldmere Drive. I feel very safe, everyone looks after each other, and I am involved in everything.

*Catherine, a resident at Boldmere Drive*

# Our services

## Care Partners

Residents at Boldmere Drive are supported by our specialist team who work alongside them to put together a person centred support plan to ensure they can be as independent as possible.

Residents requiring care are considered 'care partners' and are encouraged to take control of their own care with the help of care givers.

## Social and community

Sutton Coldfield is a thriving, bustling suburb in the north of Birmingham. The scheme is close to the town centre with supermarket, market and a range of shops and leisure facilities. There is also a Post Office and

doctor's surgery close by. There are excellent public transport networks to the local area and Birmingham City Centre.

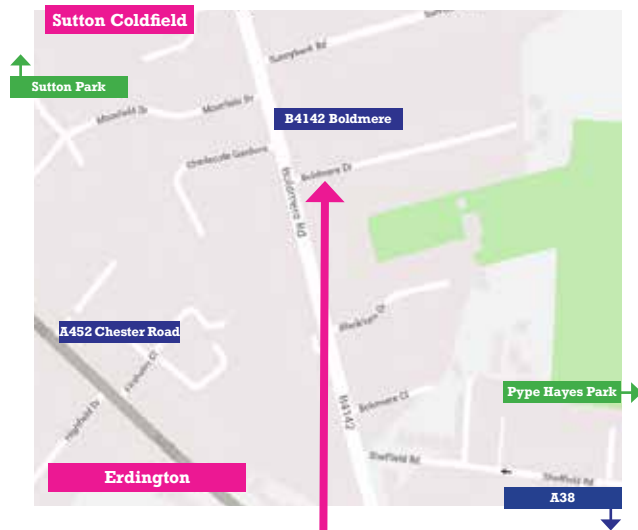

# Payment and access

Referrals are made by your local Social Services department following an assessment of your needs.

The cost of the placement will usually be met by Social Services although they may ask you to contribute to some of the costs.
